# Series Inventory

## Series 6: Printed Materials

**Dates:** 1953-2011 (Bulk 1965-2008)

**Extent:** 8.5 Cubic Feet in 21 manuscript boxes

**Scope and Content:** This series contains printed ephemera such as postcards, brochures, flyers, and a small number of press clippings primarily related to Robert Rauschenberg, his artwork and exhibitions. Also included in the series are subject files of ephemera on other people and other topics. Additional printed materials can also be found in the Performance series and the Projects and Exhibition series. Small exhibition catalogues may be found within this series; however, for most exhibition catalogues consult the Robert Rauschenberg Foundation Library. For additional press clippings, consult the Curatorial Clipping Files (ACC 48), managed by the Robert Rauschenberg Foundation's curatorial department.

**Arrangement:** This series is divided into subjects: other people, other topics, and Rauschenberg, Robert. The Rauschenberg section is further sub-divided into general files, artwork, and exhibitions. Files within each subject division are arranged alphabetically, with the exception of the Exhibitions: Group and Exhibitions: Solo sub-divisions, which are arranged chronologically.

**Processing Information:** The arrangement of this series is based on categories used by the Robert Rauschenberg Studio. Printed materials that were not part of other files were interfiled into the series when appropriate. Printed materials found in the Curatorial Clipping Files (ACC 48), managed by the Robert Rauschenberg Foundation's curatorial department, were moved into this series; duplicate printed materials were left in the clipping files.
